APPENDIX 1

EU AUDIT REFORM

AUDIT COMMITTEE PRE-APPROVAL POLICY

Statement of Principle

The Audit Committee (the "Committee") of the Board of Directors is required to pre-approve the audit and non-audit services performed by the independent statutory auditor or any of its affiliates (collectively, the "Audit Firm") in order to ensure that the provision of such services do not impair the independence of the Audit Firm.

The term of any pre-approval is 12 months from the date of pre-approval, unless the Committee specifically provides for a different period. Periodically, the Committee may review and revise this Policy.

Pre-Approval

This Policy establishes two different approaches to pre-approving audit and non-audit services. Proposed services may either (1) require the specific pre-approval of the Committee ("Specific Pre-Approval") or (2) be pre-approved without consideration of specific case-by-case services ("General Pre-Approval"). Unless a type of service has received General Pre-Approval pursuant to this policy, it will require Specific Pre-Approval by the Committee.

Audit Services

The Committee has provided General Pre-Approval of all annual Audit Service engagement terms and fees as listed in Appendix A. Permissible Audit Services not listed in Appendix A must seek Specific Pre-Approval by the Committee.

Audit-Related Services

The Committee has provided General Pre-Approval of all annual Audit-Related Service engagement terms and fees as listed in Appendix B. Permissible Audit-Related Services not listed in Appendix B must seek Specific Pre-Approval by the Committee.

Tax Compliance and Advisory Services

The Audit Firm does not provide any such services to the Company therefore no approvals are required.

Other Services

The Committee has provided General Pre-approval of all annual Other Service engagement terms and fees as listed in Appendix C. Permissible Other Services not listed in Appendix C must seek Specific Pre-approval by the Committee.

Prohibited Non-Audit Services

A list of prohibited non-audit services is attached to this policy as Exhibit 1.

The Committee may approve the provision of the services referred to in point (a) (i), (a) (iv) to (a) (vii) and (f) of Exhibit 1, provided that the following requirements are complied with:

- a) they have no direct or have immaterial effect, separately or in the aggregate on the audited financial statements;
- b) the estimation of the effect on the audited financial statements is comprehensively documented and explained in the additional report to the Committee; and
- c) the principles of independence laid down in Directive 2006/43/EC are complied with by the Audit Firm.

Delegation

In the intervals between the scheduled meetings of the Committee, the Committee delegates authority under this Policy to the Chairman of the Committee (the "Chairman") to preapprove Audit and Non-Audit Services. The Chairman shall report any pre-approval decisions under this Policy to the Committee at its next scheduled meeting. The Committee can modify, at its discretion, the pre-approval originally granted by the Chairman.

This modification can be to the form or the nature of services preapproved, the level of fees approved, or both. The Committee expects pre-approval of Audit and Non-Audit services by the Chairman pursuant to this delegated authority to be the exception rather than the rule and may modify or withdraw this delegated authority at any time. The Committee does not delegate its responsibilities to pre-approve services performed by the Audit Firm to the Manager.
